Serial No.

On receipt of Proceedings No 1898-192 dated 11th March 1904 Mr. Johnson was entrusted with the work. In this order it was directed that the charges should be intimated to Government & that provision for printing such Reports hereafter should be made in the Budget. In a previous Proceedings No: 1990-93 G.T. 167 dated 9th June 1903 the Govt directed the debiting of such cost to General Savings of the year. Referred the Question of the source from which the present charge should be met to the Registrar of the High Court, who tells me that it is debitable to "Law & Justice". His reply is also submitted.
